Sir:

STATEMENT OF THE SUBSTANCE OF THE INTERVIEW

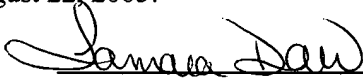

Following the telephonic interview on August 16, 2005, and in conjunction with the Amendment filed herewith, Applicants submit this Statement of the Substance of the Interview. In the telephonic interview, Applicants' Attorney discussed claims 1-15 and 34-51 of the application with emphasis on claims 1, 14, 15, and 49-51, which were the only claims rejected in the Office Action. Applicants submit that the accompanying Amendment memorializes and presents all of the claim amendments discussed in the interview. Specifically, Applicants cancelled claims 1, 14, and 15 and amended claims 2 and 49 to clarify the language of the claims. Additionally, Applicants have presented new claims 52-59, which were discussed superficially in the interview. Applicants note that agreement was reached in the interview that the amendments to claim 49 would render that claim allowable over the art of record.

Applicants appreciate the cooperative nature of the interview and believe that these comments merely restate the substance of the interview and the agreement reached therein. Applicants submit herewith the accompanying Amendment, which Applicants

believe implement the claim amendments discussed in the interview. Applicants believe that these comments do not affect the allowability of the pending claims in this application. Applicants believe that this application is now in condition for allowance. Accordingly, Applicants respectfully request that the Examiner issue a Notice of Allowability covering the pending claims. If the Examiner has any questions, or if a telephonic interview would in any way advance prosecution of the application, please contact the undersigned attorney of record.
